

Summer IN Review

Welcome to Babylon Vacation Bible School!
We traveled back in time to Babylon and found Daniel looking for Courage from the one true God. We played games in the Palace Playground, we were apprentices in the Marketplace, and we were able to talk to Daniel about finding his courage from God when his life changed, when he was afraid, and when he was thankful.

Graduation Sunday!
What an exciting time for our Graduates! We had 5 high school graduates and 1 college graduate.

Confirmation Camp! 15 Students and their Mentors enjoyed a week together learning how to grow in their faith. It was a very busy week but we had some time to have some fun! All 15 students were confirmed into the church and 2 were baptized.

Director: Sonia Reaves

sreaves.tumcchildrendirector@gmail.com

Trinity Launch is for students 6th grade through 12th grade. By this point we hope they have learned the basics of faith and are ready to see how that all fits into their lives as they move toward launching into adulthood. Students in this stage are often questioning many aspects of faith so we encourage their exploration and discussion of hard topics

On Sunday mornings we invite our youth to join in one of the three worship services. After they attend a worship service they meet in the kitchen and help make lunch for themselves and leaders. At 12:00 we sit down and enjoy a wonderful meal together and talk about the sermon. We invite the pastor and any special guests to join us. We listen to their take on the sermon and help them understand any questions they may have. We end with a prayer, our benediction, and cleaning up our mess and send them home at 1:00
